

To our very dear customers and supporters,

It is so wonderful to hear your stories as you enjoy summer and return from your travels!

Much has happened at Grandma Leeth's® restaurant lately, that you will want to know about and, truth be told, not all of it can fit into this letter, so we hope you get to come in very, very soon! Meanwhile, here are three, darn good reasons to visit:

### **I. The \$8.95 All-You-Need Weekday Lunch**

Throughout June and July, from 10:30am to 4:00pm on Tuesday through Friday, we are featuring lunches for only \$8.95 that come with a choice of a cup of soup or a small salad and a glass of iced tea as well! Pick a day when one of your favorites is being featured and join us for a scrumptious lunch, that our business customers have been excited about since its introduction 2 weeks ago.

Tuesday - Quiche (meat and vegetarian options)  
Wednesday - Curry of the Day (with vegetables, turkey breast, tofu or ground beef)  
Thursday - Vegan Appreciation day (Pasta Primavera or Stir Fry Veggie Bento with basmati rice)  
Friday - Hearty Beef Bolognese Pasta

### **II. Pay It Forward Member Sundays**

On Sundays, spend \$30.00 with us and we will waive the usual 3-visit requirement to become a Pay It Forward Member on the spot so we can offer you our discounted rates right away. Pay It Forward Membership, comes with a host of benefits and the incredible guarantee that we will automatically honor our lowest rates in the market at any given time. Currently, Pay It Forward Members pay only \$2.00 for the first hour of supervised play when a Lil' Tummies Meal is purchased. In return, we hope you will consider paying it forward by talking us up to your friends, family, and anyone else for that matter!

### **III. Other Reasons to Visit Soon (a preview).**

- Up to 40% off our gift certificates. Restrictions, including an expiration date applies and the discount is dependent upon denomination, but seriously, how often do you get to purchase a \$50.00 value for only \$30.00 !?! (Note: Vouchers/gift certificates for this offer need to be purchased at least 24 hours ahead of their use to become effective).
- Changes to our events that allow you more flexibility this summer - We want to be there for you after summer camp or after a swim, when everyone is ravenous; on days summer camp doesn't quite work out; or when you are returning from the Portland Zoo or Children's Museum that are both only 2 exits away. Our events are listed below and if you are one of our more loyal customers, you will probably notice some of the changes we have made right away. we now have events that are available to you all day long so you can drop in more easily.
- Drawings, giveaways, and prizes - There's a fishbowl up front at Grandma Leeth's® Restaurant awaiting your entry for one thing or another this summer, and, and, and, get this ... Kids who dress up to dine with us on Fridays get to choose a prize, so here's a chance for you Parents to allow the cloppity shoes (that are otherwise non-functional), dust off the Halloween costume, or welcome back the superhero who dwells among you. By the way, our current drawing is for a \$25.00 gift certificate, with the winner to be decided on June 30th.
